

ANIMALS

Some animals live on farms.

These
animals are
called FARM
ANIMALS.

Some animals live in our homes.

These animals are called PETS.

Some animals live free in the wild. These animals are called **WILD ANIMALS**.

African Elephant

Gray Wolf

Great White Shark

American Alligator

Greater Flamingo

Scorpion

Tree Frog

Animals MOVE!

Some can swim.

Some can run!

Some climb.

And
some fly.

ALL Animals need food
and water!

Some animals eat plants...

Some animals eat meat...

Some
animals
eat
plants
and
meat!

Let's play a game!

Act like your favorite animal!

What sound does your animal make?

How does your favorite animal move?

What does your favorite animal eat?

My favorite animal makes a "ROAR!" and
likes to eat meat. It also likes to run.
